Re: *United States v Johnson*, 15 Cr. 288 (RMB)

Your Honor:

As you may recall, at our last conference the government moved to remand Sean Johnson, and this Court indicated that I could provide a written response, including an update from Mr. Johnson's doctor. The deadline set for that response was today. Because of delays in receiving information from the doctor, however, I am not yet read to file a response. Accordingly, I ask that the deadline for the defense to file a response to the government's application be extended one week, to October 23, 2023.

The government consents to this application.

Respectfully submitted,

/s/
James E. Neuman

Application Granted. Response deadline is
